

# Diocese of Cheyenne

Office of the Bishop

June 27, 2018

Dear Friends in Christ,

As the Bishop of Cheyenne, I am dedicated to the ministry of protecting minors and vulnerable adults and providing them a safe environment. The Diocese of Cheyenne will continue to require background checks and provide safe environment training for all employees and for volunteers involved in ministry to minors and vulnerable adults.

I fully support those people responsible for safe environment ministry, and I encourage parish and school staffs to be vigilant in making sure that all employees and volunteers have background checks and are well trained. Minors and vulnerable adults depend on us to ensure their safety.

Please be assured of my prayers.

Peace in Christ,
