September 15-17, 2017
Blessed Sacrament Church
4500 Jackson Blvd
Rapid City, SD

Father Richard McAlear first brought his ministry of hope and healing to Rapid City in 2006. He has returned three times, each time bringing the message of God's love and peace, the Word of God, the Voice of Jesus Christ to the hearts and minds of many individuals.

Experience a weekend of talks, Eucharistic Adoration, Reconciliation and a Healing Mass. Come be with Jesus; He will heal your body, renew your wounded heart and soul, and free them to love and trust more deeply.

“People brought to Jesus all who were sick and afflicted. He laid hands on each one and healed them.” Luke 4:40

Testimonials from Local Attendees

"I have gone to five of Father McAlear's healing Masses over the past nine years. My faith has been increased from these experiences. God's love is gentle and infinite; to receive God's love and healing we must let go of resentment, hatred, and all negativity. Confession provides excellent preparation for the healing mass and I highly recommend it. Each one of us receives healing in the unique way that God desires for us, and for me it has always been a warm and gentle love that encapsulates me from the struggles of daily life. Father McAlear is an upbeat and loveable guy; if you have time to come to all or part of the retreat you will not be disappointed. Especially the healing mass."

"During one of the retreats, which took place a few years ago in Blessed Sacrament Church, I witnessed Fr. McAlear's giving his blessing to an elderly man. It took place in the narthex while people were still gathering before Fr. McAlear's talk. While Fr. McAlear looked lovingly at this man, stream of tears started flowing down this man's face; he was so moved. Several months later I learned from this man's daughter that this brief encounter of her father with Fr. McAlear and the blessing he received changed this man's life forever. He received a powerful gift of conversion, returned back to the Catholic Church and died united with God."

"I was able to make it for the entire retreat and I have to say it was the BEST experience that I ever had. I was not slain in the spirit, but there were things that happened to me that could have only been the working of the Holy Spirit. I could not believe how beautiful Father McAlear's blue eyes were...only to find out that his eyes are brown. This retreat has changed me in the most wonderful of ways!"
