Call from Pope Benedict XVI

“Today there is a need for disciples of Christ who give unstintingly of their time & energy to serve the gospel. **There is a need for young people who will allow God’s love to burn within them and who will respond generously to his urgent call.**”

Be prepared to put your life on the line in order to enlighten the world with the Truth of Christ, to respond with love to hatred and disregard for life; to proclaim the hope of the Risen Christ in every corner of the earth.”

- Pope Benedict XVI
