Several of the other diocesan monsignors, Msgr. Gerry and Gene Sullivan, and Msgr. Bill Delaney, join Bishop David Ricken during the ceremony where Father Charles Taylor officially became a prelate and received the title of monsignor. The ceremony was held during the annual priests' retreat at Sacred Heart Retreat Center in Sedalia, Colo. The retreat house is a Jesuit-run center where many people go for silent retreats. The annual retreat for the diocesan priests is an occasion for additional training and fellowship.
